

## **Parent Survey Questions – Spring 2024**

Have you taken part in this activity before?

What do you value about an activity that provides support to children in receipt of free school meals through holiday periods, is free, and includes healthy food and enriching activities

How could such an activity help you? E.g. help with childcare/providing support/nutritional advice

What would you be doing if such an activity was not available?

Do you think such an activity could have a positive impact on your child? E.g. Giving them more confidence/opportunities to make friends/try new experiences

If the activity could have a positive impact, why is this?

If the activity wouldn't have a positive impact, why is this?
